We are hoping to run another team **START course** in September/October. START is a six session course which gives people the opportunity to explore the Christian faith in an informal way. Do you know anyone who might be interested or would you like to do it yourself? Please keep it in mind when people ask you about your faith as a resource you could invite them too. For more information, contact Hilary Iredale

**Rugby Welfare Charity** is looking for a Clerk. The successful candidate will act as secretary to the 2 meetings of this small local charity each year, prepare the annual accounts for audit and oversee the annual grants to pensioners made at Christmas. There is an honorarium of £250 and expenses are paid. For more details contact The Rector or Mary Poxon.

Rugby Team has committed to giving C.A.P. financial and prayer support. Christians Against Poverty is a Christian organisation which aims, by working with the local church, to help people out of debt and introduce them to the love of God. C.A.P has been working in Rugby for six months; its first news/prayer letter is available at the back of each church. If you would be interested in being involved in this important work or would like to know more, contact Hilary Iredale. Above all, please pray for its work.
